

# BEAD ARTS

award winners 2007

## Welcome to our fifth annual Bead Arts Awards showcase of winners!

This year the esteemed judges were jewelry artist and author Valerie Hector, glass and fiber artist Gail Crosman Moore, and designer and author Margie Deeb. We're so grateful for their time and expertise in selecting this year's winners. It was a challenging task to choose from among so many wonderful works of art, but clearly several pieces stood out as particularly outstanding in their craft, design, and application of materials.
